

Flying the Bahamas

International Flying Farmers have been invited to join a tour planned by Caribbean Sky Tours.

A presentation on Flying to Costa Rica was presented at the IFF Annual Convention in Dayton in July. At the presentation, many Flying Farmers also expressed an interest in doing a trip to the Bahamas and this is why we thought that it might be a good opportunity to promote the March "Flavor of the Bahamas" trip with IFF. Our March trip is organized in conjunction with Cessna Owner Organization and Piper Owner Society <http://www.aircraftownersgroup.com/> at a special price to their members. We would like to invite all International Flying Farmers to join us on this trip. All International Flying Farmers who join this trip will get the same special price as the members of Cessna and Piper Owner. In addition, IFF members who sign up for the trip will receive a free one year membership to Cessna Owner Organization or Piper Owner Society.

We have put together a promotional video clip with photos illustrating the trip itinerary and a voice-over to describe the places we will be visiting. More details of the trip and our itinerary can be found on our website at www.caribbeanskytours.com, or by directly linking to our upcoming Fully Escorted Trips and then clicking on the "Flavor of the Bahamas":

March 8 – 12, 2010.

Thank you.

Best regards,

Pia Hilbert
